

One day in

SALASPILS C O U N T Y

1 – THE CULTURAL- HISTORICAL ROUTE OR SALASPILS 3 TOURISM "WHALES"

The biggest tourism values of the Salaspils County are definitely connected to the cultural and historical events that took place on the territory, with the development of the city and the proximity of the largest Latvian river, the Daugava. Take a look and get to know the main and most important places of the nearest town to Rīga and its county on this proposed one-day route!

INCLUDES:

The Salaspils Memorial Ensemble

The monument complex, opened in 1967, about the history of the Salaspils camp (1941-1944) and the memorial. The memorial consists of an entrance gallery and a sculptural ensemble. An exhibition has been created in the gallery.
GPS 56.8731, 24.3028, www.salaspilsmemorials.lv

National Botanical Garden

The largest plant collection in the Baltics with more than 14,000 plant varieties.
Green House complex with 4 halls.
GPS 56.8610, 24.3530, www.nbd.gov.lv, tel. +371 67944610, +371 22019340

The Daugava River Museum

The only museum dedicated to the history of the river in the Baltics located in a beautiful park on the bank of river Daugava. Here you can see the historic exposition of the river Daugava and Salaspils County. In the open-air area, you can visit the fisherman's homestead and see the fishing huts. Inside the museum there is an interactive exposition and changing exhibitions.
